You can make a difference!

The Advisory Council is a group of citizens dedicated to the enrichment of our community. Its support enables us to offer a variety of programs and services for people of all ages, abilities and backgrounds.

Our Advisory Council is always looking for new members. Meetings are held (on the fourth Wednesday evening of every month) to talk about programs, policies, and financial issues. Citizen direction and participation are vital to our continued success. Advisory Council members also create scholarship opportunities through grant writing and other fundraising activities. If you'd like to get involved, please contact our staff.

Most classes, workshops, sports, and special events are funded through the Advisory Council rather than through Seattle Parks and Recreation. Revenues generated through program fees offset program costs to make Advisory Council activities self-sustaining. We rely heavily on program participation, donations, and contributions to buy, repair, maintain, and upgrade program equipment and supplies.

2006 Discovery Park Calendar

The Discovery Park Advisory Council is pleased to announce the release of our 2006 Discovery Park Calendar. Over forty photographers submitted photographs for our first-ever photo contest. Photographs represent different seasons and habitats at Discovery Park.

Buy one, buy two! The Discovery Park calendar makes a gorgeous gift for the holiday season! Calendars are available through the Discovery Park Environmental Learning Center for \$12.00. We're happy to ship the calendar as well.

Call (206) 386-4236 for more information.

2006 Docent Class

Interested in learning more about the flora and fauna of the Puget Sound region? Do you love sharing nature with others? Then you might be the perfect candidate for the Discovery Park docent program. Docents (volunteer naturalists) participate in 12 weeks of training and commit at least one year to volunteering at Discovery Park.

Their responsibilities include everything from helping children catch a tadpole for the first time to teaching the public the important role spi-

ders play in the world. Docents facilitate discovering the wonders of nature for park visitors of all ages. They do these things through leading programs for school groups, teaching interpretive programs on the weekends, and staffing hands-on discovery stations in the busier areas of the park. Docents' backgrounds are as varied as the people they teach - the common thread is their desire to share nature with park visitors.

Class of 2006 begins in February. Applications available now. For more information contact the docent coordinator at 206-386-4231.

Nature Classes

Nighttime Tide Pool Exploration/ Early Morning Birdwatching

End the old year and start celebrating the new year with Discovery Park naturalist staff. Immerse yourself in the Puget Sound winter environment. Explore the tidepools during a -3.0 low tide at night. Spend the night in the Environmental Learning Center. The next morning, birdwatch along the shores of Puget Sound with master birders. Then enjoy a beautiful brunch at the West Point Light Station.

Suitable for adults and children, 8 and up.

Pre-registration required. Call 206-386-4236 to register.

Winter Nighttime Tide Pool Exploration

Dress warmly, bring a flashlight, and get ready to see some amazing sights. Many intertidal animals are active at night and many have eyeshine. This is a true Pacific Northwest adventure.

If you are attending the morning birdwatch, plan on spending the night at the Environmental Learning Center.

Fri, Dec 30 8 – 10 p.m.

Fees: \$10 per person. Both programs together is \$25 per person.

Park Notes

Mission

Seattle Parks and Recreation will work with all citizens to be good stewards of our environment, and to provide safe and welcoming opportunities to play, learn, contemplate, and build community.

E-Brochures are available!

In keeping with our environmental stewardship policies, we're trying to reduce the amount of paper we use. We invite you to visit our web site at www.seattle.gov/parks. You can find this brochure information online.

Suggestions

We welcome your ideas. If you want to suggest a new class, or if you have an idea you think would benefit us or our community in general, please let us know.

Anti-discrimination

As a matter of policy, law, and commitment, Seattle Parks and Recreation does not discriminate on the basis of race, color, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin, or the presence of any sensory, mental or physical handicap.

Accommodation for people with disabilities.

We will make reasonable accommodation, upon request, for people with disabilities. For sign language interpretation, auxiliary aids or other accommodation, please call (206) 615-0140 or TDD (206) 684-4950. Please allow 10 working days' advance notice. If a class or activity is scheduled in an area not accessible for wheelchairs, we will make every effort to help you find a similar program in an accessible location.

Rentals

For information about room rentals, please view our facility rental brochure. (<http://www.cityofseattle.net/parks/reservations/facrentalguide.htm>)

More information

For information about Parks and Recreation facilities, recreation programs, picnic shelters, and scheduling, please visit our web site at www.seattle.gov/parks, or call our Public Information line, 206-684-4075. For more information about programs for senior adults, please call 206-684-4951, and for information about programs for special populations, please call 206-684-4950.

Payment

You can pay for classes and other activities by mail, in person during regular facility hours, or by telephone with a credit card. We accept Visa, MasterCard and American Express. Please make checks and money orders out to our Advisory Council. **Please note:** Payment is due when you register, unless we have indicated otherwise. If your check is returned for insufficient funds, your registration will be cancelled until you pay the amount due, plus a \$20 fee. (Credit card or cash only.) We are working on a system that will make online registration available.

Fees and charges

Our Advisory Council provides the programs and activities listed in this brochure under an agreement with Seattle Parks and Recreation. Fees collected by the Advisory Council are used to offset the cost of providing the programs. Program charges include user fees of 3.25%, paid to Seattle Parks and Recreation to defray operating costs. Class and program fees include Washington State sales tax where applicable.

Refunds

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- Anyone who registers for a class, camp, special event or program that is cancelled for any reason by Parks and Recreation or the Advisory Council will receive a full refund.
- Anyone who registers for a day camp, trip, overnight camp, special event, or facility rental, and who requests a refund 14 days or more before its start (or before the second session of a class), may receive a refund minus a service charge.
- Anyone who registers for a day camp, trip, overnight camp, special event, or facility rental, and who withdraws from the activity fewer than 14 days before its start (or after the second session of a class), will receive no refund.
- Please read the entire policy, #7.16, for specific information.

Scholarships

Our Advisory Council wants to ensure that our activities, classes and sports are available to everyone, regardless of their ability to pay. The Council may choose to offer scholarships for qualified applicants. To apply for a scholarship, please talk to a member of our staff.

Waiting lists

We will create waiting lists for all filled classes. Please be sure to sign up if you are interested in a class that is full, because class openings often become available. If demand is high, we will try to form another class. Please contact us for space availability.

Class cancellations

To cover the cost of providing a program, we need a specific number of participants. If too few people sign up for a class, we must cancel it. We'll notify you (at the latest) one or two days before the class start date. When possible, we will postpone a cancelled class for a week to allow for more enrollments; if the class minimum is not met by then, we will have to cancel it.

Confirmations

Sorry, we cannot confirm class registration by mail or phone, but we will notify you by phone if your class is postponed or cancelled.

Community Support for Discovery Park Programs in 2005

We want to take this space to thank those businesses that donate goods and services to the Discovery Park Advisory Council throughout the year in support of environmental education programs and habitat restoration in the park.

In the late summer, Discovery Park honored its volunteers with a salmon bake down at the newly acquired West Point Light Station. **Wild Salmon Seafood Market** gave us a discounted price on pounds and pounds of salmon so we could feed everybody. **Discovery Espresso** continued its long-standing support by donating coffee. Finally, **Essential Baking Company** donated 12 loaves of fresh-baked bread for the event.

Imagination Toys, Starbucks, and the **Majestic Bay Theater** donated gift certificates this year to honor the great work the volunteer Junior Naturalists accomplish at Discovery Park.

Aaron Brothers donated several frames for the winning Discovery Park calendar photos.

Last and certainly not least, **Starbucks** donates to the Discovery Park Plant Endowment Fund throughout the year with their Make Your Mark program. This is a program where Starbucks matches an employee's volunteer hours with a monetary donation.

If you love Discovery Park and the programs offered here, please patronize these businesses and tell them thanks for their support.
